PROJECT UNDERTAKEN

Co-Operative Store Management Software — (6 Week)

It is software for creating a bridge between the institute officials and co-operative store as institute officials will just order products from their offices and co-operative store will deliver it to save the time of officials.

Nutrition Decisive System for Old Age People — (6 Week)

A nutrition expert system helps people to evaluate their nutrition status and conditions and accordingly provides them with nutrition and diet advises. Moreover, it will help people to save their time as they will not need to visit the doctor to evaluate their nutrition conditions.
